Boys and Girls Club of Troy

For nearly four decades, the Boys & Girls Club of Troy has provided a safe and positive place for young people in the tri-county area (Oakland, Macomb and Wayne Counties) of metropolitan Detroit and southeast Michigan. The club strives to give local youth a platform which allows them to develop into self-reliant, responsible, contributing members of the community

They run daily after-school programming for our members from September-June as well as a 10-week summer program which runs from mid-June to late August. This evening, Jeff Evans, the CEO of the Boys and Girls Club of Troy will be speaking to us about this great organization and what we can do to further support them.
