Key Leader

Key Leader is a weekend experiential leadership program for today's young leaders. This life-changing event focuses on service leadership as the first, most meaningful leadership-development experience. A Key Leader will learn the most important lesson of leadership—it comes from helping *others* succeed.

MDYP Kiwanis members have volunteered at Key Leader the past few years and thoroughly enjoyed the experience. This year, we even sponsored a local student to attend!

For more information, visit www.key-leader.org
