Make A Wish Foundation

30th Annual Wish-A-Mile Bicycle Tour

July 27th-30th 2017

As one of the signature events of Make a Wish Foundation in Michigan, last year this fundraiser raised over 2.3 million to help grant wishes for children in Michigan. There were 1200 riders and over 300 volunteers that helped make this happen! There are two riding options, a 3-day 300 mile ride or a 1 day 50mile ride. The route goes from Michigan International Speedway to Traverse City! For more information, visit

www.michigan.wish.org
