Kiwaniis Key Leader Program

Key Leader is a weekend experiential leadership program for today's young leaders. This life-changing event focuses on service leadership as the first, most meaningful leadership-development experience. A Key Leader will learn the most important lesson of leadership—it comes from helping *others* succeed.

Participants begin by attending a Key Leader conference, which is a weekend retreat. Large and small group workshops, discussions and team-building activities take place over the course of the weekend. While exploring leadership in a whole new way, participants will make amazing new friends and have experiences they will never forget.
