Alzheimer's Association

The Alzheimer's Association is the leading voluntary health organization in Alzheimer's care, support and research. Our vision is a world without Alzheimer's disease. The Alzheimer's Association was founded in 1980 by a group of family caregivers and individuals interested in research. Today, the Association reaches millions of people affected by Alzheimer's across the globe. The provide care and support for those affect by Alzheimer's and accelerate the research to find a cure.
